

# The buildings in sale which amount were dropped to zero

## **Attention! Attention to all citizens, legal entities and international investors.**

Regional division of the committee of the Republic of Uzbekistan developing competition, antimonopoly and privatization announces new tender invite all potential investors to open auctions for the buildings in sale which amount were dropped to zero.

In this auction there are state buildings for sale.

During the investment there are vacancies; production and servicing are kept within one year.

Winners of these auctions, within 30 days these buildings will be calculated and calculation expenses will be provided by those winners. After winning auctions, investors should perform and use at least 60 % of these buildings based on privatisation with zero amount and these buildings should be busy in production or servicing. This is the only terms for buying these buildings from the government.

Within 20 days starting from buying date on auction there will be signed the trade agreement. In order to attend to the auction, signed and stamped invitation should be received. Making these invitations will be stopped within 2 days before auction.

Auctions are placed at 9-00 in every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of every month.
